

Sergio Jasso

Customer Solutions Advisor

I have been working in some part of this industry for over 25 years, and having a set of principles has taken me a long way. I pride myself on having professionalism in every aspect of my work and my life. I am meticulous and thorough as I evaluate a project and listen to the customer's needs in order to provide the best contractor recommendation possible. I have the same high standards for the contractors in our network - they are steady, reliable and will deliver results on time and under budget. Let me help you source your next contractor, one who you can rely on and is a perfect fit for your project needs.

About Sergio Jasso

I love to geo-travel with my family. Over the years, we have visited some of the most beautiful state and national parks, rivers, and other natural sites in the US and Mexico. But despite all our travels, my favorite spot remains Garner State Park, right here in beautiful Texas. Sometimes you can't beat Texas. Hook 'em Horns!
